A LITIGATION DYNAMO IN BEVERLY HILLS

Founded in 2009, Jalilvand Law Corporation (JLC) is a preeminent boutique law firm located in Beverly Hills. Over the past decade, JLC has grown from a solo practice to a well-respected and reputable firm serving the multicultural needs of the Los Angeles community. JLC focuses upon representing individuals having suffered serious and catastrophic injuries arising from automobile, trucking, motorcycle, and slip and fall accidents. In addition, JLC attorneys represent clients, who have been injured, in the context of landlord tenant disputes and cases involving mortgage lender misconduct. To better understand and advocate for their clients, JLC attorneys and staff are multilingual-speaking Spanish, Farsi, Hebrew, German and French.

With remarkable attorneys leading the way, the support of its relentless staff, and using cutting-edge technology, JLC's core beliefs are focused upon aggressive advocacy, obtaining justice, and making sure that

clients receive maximum recovery, whether in settlement or after a trial. JLC clients enjoy an individually tailored litigation plan, direct communication and participation in the decision-making process, and the peace of mind knowing that all cases, big or small, receive the same level and quality of representation.

With decades of combined experience, JLC attorneys easily and comfortably navigate the tricky waters of high-stakes or complex litigation, making strategic maneuvers along the way, and constantly balancing and evaluating the risks and rewards involved for their clients. Every case is prepared for trial, though most cases are also mediated or otherwise settled when it's viable.
